

## List of Companies who have signed the EELQMS (lubricant marketer's) Letter of Conformance

Brussels, April 9, 2014

Update number: 128

Participation in the European Engine Lubricant Quality Management System (EELQMS) implies a commitment to develop and manufacture those engine lubricants for which compliance with ACEA Oil Sequences will be claimed, or to have such engine lubricants developed or blended by third parties, in accordance with the guidelines, described in the ATIEL Code of Practice as well as a commitment to ensure an independent audit of the development and manufacturing process. These commitments are made in a "Letter of Conformance", issued by the participating entity to ATIEL.

ATIEL confirms that it has registered the declaration of the following entities' participation in EELQMS\*:

The appearance of an entity on this list only means that ATIEL has entered in its register, as of the date of the list, a valid Letter of Conformance of the entity concerned, appearing, on the face of it, to be genuine. ATIEL assumes no responsibility for the implementation by the entities identified above of their obligations, as defined in such Letter of Conformance, or for any damage that a breach thereof may cause to third parties. ATIEL can not be held responsible for any claims resulting from inclusion and non-inclusion of entities in this list. ATIEL also declines any responsibility with regard to the external audit procedure, which belongs to the domain of the relevant auditor.
